The Night for Luminaries

to line our streets is upon us!

For many years now, luminaries have been a part of the holiday season in this part of Germantown. Along with other neighborhood associations, especially the Kimbrough Woods association, we encourage all of our neighbors to position candles along the curb on a specified date. When lit, and as darkness falls, our streets will glow with the lights of the holiday season. Families often drive through the area just to enjoy the sight. This year, we will be continuing the tradition

at dusk on Sunday, December 9.

(rain date Sunday December 16)

Order your luminaries with the form below, and plan to position the candles in their bags every three feet along your curb (ex: 50 feet of curb = 16 luminaries). Your order, including sand, can be picked up on

Saturday December 8

at the Marinich's house, 8418 Willow Oak Rd.

Bring a bucket or other container for approx. 1 cup of sand per bag!

Please join us in making our neighborhood light up
on Sunday evening, Dec.9
