## NEIGHBORHOOD ASSOCIATION BBQ IS FIRING UP!

Park reservations have been made, food has been purchased, special events have been arranged — all that’s left is to hear from you!

**Next Saturday, July 15, from 4 - 8 p.m., the Germantown Trails Neighborhood Association will host its first annual Summer Bar-**

**becue.** Set in Johnson Road Park (see map on reverse), residents will have a chance to participate in lawn games such as croquet and volleyball, have their faces painted, fish in the lake, hike nature trails, play the frisbee golf course — maybe even get up a soccer game or a round of ultimate frisbee.

**The Association is providing soft drinks and meats** (chicken, burgers and dogs). **Participants will bring a dish to share** (see list below to find out what category you’ll need to provide). Bring along a chair, any games you’d like folks to enjoy, and plan to be there in time to take part in the membership meeting at 5 p.m. Oh, and no pets, please.

But don’t think that there won’t be any non-human entertainment. The Germantown Parks and Recreation Department will be there with some of the creatures found in our local parks, including an owl and raccoon.

And not to be outdone by the wildlife, our own Mayor Sharon Goldsworthy will be making an appearance!

If you have any questions about this big event, please don’t hesitate to contact Association President John Davis, or Dick Vandenberg or Crystal Davis of the Social Committee (see contact info at left).

See you there!

Last Names Beginning	Should Bring
A-G	Appetizer
H-M	Salad
N-S	Side Dish/ Casserole
T-Z	Dessert or any special dish you’d like to share!
